Movies

For this theme, we will have a tiny movie theater on site 16 mm and digital projection. Everyone is invited to add their movies to the frankenart cinepalace calendar. If you are interested in showing a larger body of work, please contact us as soon as possible so that we can schedule you in for a longer run.

Responding to movies

Art, writing, performance, music, food, experimental projects and lectures about movies and movie theaters also welcome. During the show, you can make works on site in the arterrarium during mart hours.
